

# BAM BAM'S BOOCIE

PRESSKIT

**Bam Bam's Boogie** is a band of 3 elements, all coming from different countries, who met in Berlin (Germany). Vocalist **Kiko King**, From Washington DC, producer and musician **Jacopo Aluzzi**, from Italy and drummer **Giotto Beattz** from Ireland. Their first EP, '**Seance**', is a funky escapade filled with stories, attitude and bounce!

By combining their acoustic and electronic styles, every song has the power to move you. Loaded with driving basslines, swimming guitars and synths, and topped off with an array of picturesque lyrical delights, this band is a must for any music junky. As the world seems to sit on a knife's edge, this **new age funk** project has come along to restore some balance in the universe by offering some lighthearted, danceable bliss.
