

## Biography UZI FREYJA

Cameroonian, English-speaking, Kelly Rose composes, writes and raps. Uzi Freyja, poetically defined in two words: Uzi: weapon, which refers to the speed of the flow and the sounds that strike the heart. Freyja: sweetness, which refers to the Norse goddess of love, sex, fertility and sensuality. Uzi Freyja's music is politically impactful and composes a protean score: sometimes protesting, outrageous or experimental, which is aimed at both the head and the legs! His second EP "LUNACY" brings together 5 uncompromising tracks, with Club, Rap and Electro accents.")
